## SUMMARY OF MESSAGE

Last week we started a series called *All I Want For Christmas*, where we talked about what would not be on God's list for us. This week we are going to talk about what actually is on his list. We would assume it would be all the things we feel compelled to do: go to church, pray a lot, and be good. But what we will see tonight is that God actually wants some things that we shouldn't even want to keep. We are going to walk through several passages that show us that God actually wants our burdens, pain, sin, shame, and anxieties. He is asking us to give him those things so that we can experience rest.

## SMALL GROUP QUESTIONS

1. How did it make you feel when you heard what actually is on God's list?
2. How is what is on his list different than what you thought?
3. What is the one thing you are not letting God have?
4. What can you do to make sure you give God the thing that will allow you to rest?
