### SUMMARY OF MESSAGE

Tonight as we explore what it means to live a wild and free life we are going to look at what it means to live generously. Our hope is to redefine the word "Generous" for students who believe it to be simply financial. The goal is for students to understand that it is more about your attitude and less about the amount. Students will quickly feel the internal effect generosity can have, and hopefully be inspired to make it a lifestyle.

### SMALL GROUP QUESTIONS

1. How would you define your attitude toward generosity?
2. If God is able to provide for every need then why do you think he wants us to be generous?
3. How do you think you would benefit from practicing generosity?
4. What is something you can give this summer to practice generosity?
