SUMMARY OF MESSAGE

Tonight we are finishing up our series "Crew." The past two weeks we have talked about how we can unify as a group and gain ground as well as staying connected throughout the week. Tonight we are going to talk about how we can become a group that is open and welcoming to new people. As we continue in our Acts passage we are going to see that the early church was added to and lives were being changed. We want to be a community of groups who are added to and lives are being changed. Our challenge to students is that they would create room for new students and invited them along the way. Our goal is that every student would feel the need and desire to have new people join the group and gain ground in their life.
